

APPENDICES

for

Northern and Eastern Colorado Desert

Coordinated Management Plan

List of Appendices

<u>Number</u>	<u>Appendix Title</u>
A	Maps
B	Standards & Guidelines
C	Grazing Lease Terms and Conditions from Current Biological Opinions
D	Desert Tortoise Mitigation Measures
E	Desert Restoration
F	Public Education Program from the California Statewide Desert Tortoise Management Policy
G	Limitations on Cumulative New Surface Disturbance
H	Species and Habitat Modeling and Development of Management Areas
I	Science Panel Review Summary
J	Guidelines for Domestic Sheep Management in Bighorn Sheep Habitats
K	Johnson Valley to Parker Motorcycle EIS (1980)
L	Routes of Travel Inventory Process
M	Artificial Water Sources for Bighorn Sheep, Deer, and Other Wildlife
N	Wildlife History and Wildlife/Plant Tables
O	Perspectives on Proposals for and Changes to Management Areas
P	Boundaries of DWMA's and WHMA's
Q	Photos

APPENDIX A

Maps

List of Maps

<u>Map#</u>	<u>Map Title</u>
	Base Map
1-1	Vicinity Map
1-2	NECO Boundary and Tortoise Recovery Units
1-3	Land Ownership
1-4	Concurrent Desert Plans
2-1	Utility Corridors
2-2	Current Multiple Use Classes
2-3	Current BLM Desert Tortoise Categories
2-4	Current ACECs and HMPs
2-5	Current Grazing Management
2-6	Preferred/Large DWMA Alternative Multiple Use Classes
2-7	Preferred/Large DWMA Alternative Proposed MUC Changes
2-8	Preferred/Large DWMA Alternative Grazing Management
2-9	Preferred/Large DWMA Alternative Tortoise Fencing
2-10	Preferred/Large DWMA Alternative Open/Closed Washes in DWMA's
2-11	Small DWMA A Alternative DWMA's
2-12	Small DWMA A Alternative Multiple Use Classes
2-13	Small DWMA A Alternative Grazing Management
2-14	Small DWMA A Alternative Tortoise Fencing
2-15	Small DWMA B Alternative Grazing Management
2-16	Small DWMA B Alternative Tortoise Fencing
2-17	Bighorn Sheep Demes
2-18	Preferred/Large DWMA - Small DWMA A & B Alternative Bighorn Sheep WHMA's
2-19	Preferred/Large DWMA - Small DWMA A Alternative Waters
2-20	Preferred/Large DWMA - Small DWMA A & B Alternatives Dunes and Playas Closures
2-21	Preferred/Large DWMA Alternative Multiple-Species WHMA's
2-22	Springs and Seeps Improvements
2-23	Small DWMA A Alternative Multiple-Species WHMA's
2-24	Small DWMA B Alternative Multiple-Species WHMA's
2-25	Current Wild Horse and Burro Management
2-26	Preferred/Large DWMA Alternative Wild Horses and Burro Management
2-27	Small DWMA A Alternative Wild Horses and Burro Management
2-28	Small DWMA B Alternative Wild Horses and Burro Management
2-29	Current Access Network
2-30	Current Competitive Recreation Routes
2-31	No Action Alternative Proposed Routes Designations (inside back cover)
2-32	Preferred/Large DWMA Alternative Proposed Routes Designations (inside back cover)
2-33	Small DWMA A Alternative Proposed Routes Designations (inside back cover)
2-34	Small DWMA B Proposed Routes Designations (inside back cover)
2-35	Preferred/Large DWMA Alternative Acquired Habitat
2-36	Small DWMA A Alternative Acquired Habitat
2-37	Small DWMA B Alternative Acquired Habitat
2-38	BLM Wilderness Areas

3-1	Existing Water Sources
3-2	Drainages
3-3	Plant Communities
3-4	Landforms
3-5	Desert Tortoise Critical Habitat
3-6a-f	Special Status Species - Animals
3-7a-d	Special Status Species - Plants
3-8	Mineral Potential - Metallic
3-9	Mineral Potential- Construction
3-10	Mineral Potential - Industrial
4-1	High Mineral Development Potential
H-1	Ecological Hot Spots
H-2	Plant Species Richness
H-3	Animal Species Richness
H-4	Largest Unfragmented Areas
